

GRANT REQUEST FORM

Quantedge Foundation (Singapore) Ltd. (“QFS”) believes in allocating resources based on strategic philanthropic priorities. We prefer to fund and participate in targeted, innovative programmes with high social impact and measurable outcomes. Do take time to review the *Funding Criteria* section prior to commencing this grant request form. QFS reserves the right to change the criteria, and terms and conditions of the grant without prior notice.

Grant requests to QFS should have well-defined and specific outcomes, with details on how the proposed programme or intervention could achieve these outcomes. QFS may follow up with phone interviews or visits for clarifications and further enquiries on the application details. Depending on the complexity of the grant request, the grant approval process will typically take between one week to three months.

After the grant request is approved, applicants will be required to follow up with grant reports on how the funds were applied and the outcomes achieved, and provide any additional information needed to evaluate the effectiveness of the programme.

Please complete all fields in the following form and send it to enquiries@quantedge.org, along with any supporting documents.

Funding Criteria:

Please note that QFS seldom funds unsolicited proposals or general appeals for funding support. As a registered charity and Institute of Public Character (IPC), QFS can only fund activities which are exclusively beneficial to the community in Singapore as a whole. In addition, QFS will not consider requests in the following areas:

- Programmes that are not aligned with our charitable objects or philanthropic priorities;
 - Direct donations or grants to specific individuals;
 - Building or capital projects; or
